2010 United States federal court case The Honeymoon Tourist Affair, it is inspired by the 2009 New York crime spree of a woman who posed as a girl and pretended to be an orphaned female who wished to be rescued by a man (later discovered to be a con artist). Mehta chose to set his film in India as a reference to the country's own version of the Karmapa affair, the "Karmapa affair". The film stars Varun Dhawan, Jacqueline Fernandez, Jacqueline Bonnier, Rahul Bose, Manish Khanna, Adah Sharma, Murali Sharma, Suraj Sharma, Shraddha Kapoor and Kirron Kher. An early critical and commercial success, the film received a

BAFTA nomination for Best Original Screenplay, and won the National Film Award for Best Popular Film Providing Wholesome Entertainment. The film was released in the United States on 22 January 2017 by Yash Raj Films and IFC Films.

Plot Mehta's film tells the story of Simran (Jacqueline Fernandez), a lonely young woman who lives in the slums of Mumbai. She is a vibrant young woman with a clear and optimistic outlook on life, which contrasts with her older sister, Simran's mother. Simran's mother is schizophrenic and lives in the shadows of her own internal crisis; at home she has to endure the indignities of

having her family's assets seized because of their criminal past. Simran falls in love with a poor man named Amit (Varun Dhawan), whom she learns is on the run from the law for fraud. Over the course of their relationship, Simran learns that Amit is suffering from psychotic episodes, and that he had been blackmailed into signing the consent to adoption papers for a baby girl, which Simran is informed was subsequently stolen from the hospital and renamed Mariam. Simran manages to recover Mariam

and give her to an orphanage before she is forcibly taken away by the police. As she sees the orphanage in question, Simran realizes that the real Mariam is still there; unbeknownst to her, Mariam has recently become an international runaway, and her true identity has been exposed in news headlines. Mariam and Amit are arrested as they approach the orphanage. They are put in a police van, which soon explodes and kills the officers inside. Simran notices that the orphanage has been ransacked and only a
